**MIDWEST BROILER/FRYER** - Final majority prices on whole broiler/fryers increased from last Monday's final; Ohio cities were TFEWR. Whole fryer market tone was fully steady to firm. Offerings were light to adequate at higher price levels. Holiday demand and fill-in trade were noted as mixed; some record high temperatures and end of month holiday were most frequently noted as cause and effect. Overall, demand was moderate to good. Floor stocks were in a full range; sizes desirable. Parts supplies were in close balance to available. The market tone was fully steady to firm on dark meat cuts, bone-in and boneless/skinless breasts with wings and tenderloins barely steady.
